Continuation of Substance of Interview including description of the general nature of what was discussed: In response to the Examiner's indications that claims 1,6-7,9,15,17,23,25,31 have minor informalities problems, Applicant's Representative agrees to the changes in order to overcome the minor informalities and provisionally authorizes the Examiner to amend the claims as given in the attached Examiner's Amendment, because Applicant requires consultation before any changes can be made. The Examiner pointed out that Applicant still has the opportunity to amend the claims as provided for under 37 CFR 1.312, if the amendment is not acceptable to Applicant. Applicant's Representative also pointed out that as per claims 6,7,15,23,31, the wording "the group consisting of" construction refers to the Markus claim, wherein "the group" would not need to be changed to --a group--; however, Applicant's Representative agrees to allow the the change from "the group" to --a group-- as desired by the Examiner to overcome the lack of antecedent basis.
